DISTINCTION

# DISTINCTION

---

ALLURE | COUTURE | BOUTIQUE | DESTINY | CLASSIC

Amidst short-lived trends grows a need for quality and elegant minimalism. "Less is more."

We specifically select what we really need but are also very choosy. This reflects not only the awareness of sustainable consumption, but also a sense of classic elegance. Perfectly cut clothes, good workmanship and fine materials convey a timeless sense of style.

*Inmitten kurzlebiger Trends wächst das Bedürfnis nach Qualität und elegantem Minimalismus. Weniger ist mehr, wenn es das Beste ist.*

*Wir wählen gezielt aus, was wir wirklich brauchen und sind dabei sehr wählerisch. Darin drückt sich nicht nur das Bewusstsein für nachhaltigen Konsum aus, sondern auch ein Sinn für klassische Eleganz. Perfekt geschnittene Kleidung, gute Verarbeitung und edle Materialien zeugen von zeitloser Stilsicherheit.*

TEMPTATION

# TEMPTATION

—  
DESIRE | SEDUCTION | PASSION

This trend is all about Urban Romance. We have the desire to express our moods in complex social circumstances, and the desire to show our emotional side within a high-tech lifestyle.

Translated into a style, the theme brings back the classic visual codes of romance and plays simultaneously with fractures and ambiguities.

The collections awaken a new courage for passion and feeling from Elegant Seduction to Red Passion.

*Der Trend steht ganz im Zeichen der Urbanen Romantik. Wir haben die Sehnsucht, in komplexen sozialen Zusammenhängen unsere Stimmungen ausdrücken zu können und innerhalb eines hochtechnologischen Lebensstils unsere emotionale Seite zu zeigen.*

*In einen Stil übersetzt, bringt das Thema die klassischen visuellen Codes der Romantik zurück und spielt gleichzeitig mit Brüchen und Doppeldeutigkeiten.*

*Die Kollektionen bringen den neuen Mut zu Leidenschaft und Gefühl mit, von eleganter Verführung bis zu Red Passion.*

NEW CULTURE

# NEW CULTURE

VISION | RELAX | J'KIDS | RETRO KIDS | TODDLERS

A new expression of freedom and individualism, inspired by Sub-Culture and Street Style. We celebrate the joy of experimentation; as a result, unusual and surprising styles are created.

Rules and conventions are there to be broken. Uniqueness and creativity is the new expression of life. Cool, fast and streetwise. If it does not yet exist – create it yourself!

*Ein neuer Ausdruck von Freiheit und Individualismus, inspiriert von Subkultur und Street-Style. Wir feiern den Spaß am Experimentieren; Stile werden ungewöhnlich und überraschend zusammengestellt.*

*Regeln und Konventionen sind dazu da, gebrochen zu werden. Einzigartigkeit und Kreativität sind das Lebensgefühl. Cool, schnell und streetwise. Wenn es etwas noch nicht gibt – mach es einfach selbst!*

WE BELIEVE IN A BETTER WORLD,  
THEREFORE WE TAKE ACTION.  
*WIR GLAUBEN AN EINE BESSERE WELT.  
DESHALB TUN WIR ETWAS DAFÜR.*

Display Environmental Responsibility in your shop window: our mannequins contain the maximum possible percentage of bio-based materials. We place the highest value on using sustainable resources for production, ecological generation of energy, low-emission routes of transportation and adequate recycling.

In our own Research and Development Department we work collaboratively with international universities; constantly researching how we can increase the organic content in the material used to manufacture our product.

In addition to caring for the environment, we also care for our staff. We adhere to a strict Code of Conduct and create working conditions in our production facilities that comply with the expectations and understanding of a sophisticated and modern society.

*Stellen Sie Verantwortung in Ihr Schaufenster: Unsere Mannequins enthalten den größtmöglichen Anteil an biobasierten Materialien. Wir legen größten Wert auf nachhaltige Rohstoffe für die Produktion, ökologische Energiegewinnung, emissionsarme Transportwege und fachgerechtes Recycling.*

*Zusammen mit internationalen Universitäten arbeiten wir in unserer eigenen Forschungs- und Entwicklungsabteilung ständig an der Verbesserung der Materialien und an der Erhöhung des zertifizierten Bioanteils in den Figuren.*

*Verantwortung übernehmen wir nicht nur für die Umwelt, sondern auch für unsere Mitarbeiter. Wir halten uns an einen strengen Code of Conduct und schaffen Arbeitsbedingungen, die den Erwartungen und dem Selbstverständnis einer anspruchsvollen und modernen Gesellschaft entsprechen.*
