WE BELIEVE IN A BETTER WORLD,  
THEREFORE WE TAKE ACTION.  
*WIR GLAUBEN AN EINE BESSERE WELT.  
DESHALB TUN WIR ETWAS DAFÜR.*

Display Environmental Responsibility in your shop window: our mannequins contain the maximum possible percentage of bio-based materials. We place the highest value on using sustainable resources for production, ecological generation of energy, low-emission routes of transportation and adequate recycling.

In our own Research and Development Department we work collaboratively with international universities; constantly researching how we can increase the organic content in the material used to manufacture our product.

In addition to caring for the environment, we also care for our staff. We adhere to a strict Code of Conduct and create working conditions in our production facilities that comply with the expectations and understanding of a sophisticated and modern society.

*Stellen Sie Verantwortung in Ihr Schaufenster: Unsere Mannequins enthalten den größtmöglichen Anteil an biobasierten Materialien. Wir legen größten Wert auf nachhaltige Rohstoffe für die Produktion, ökologische Energiegewinnung, emissionsarme Transportwege und fachgerechtes Recycling.*

*Zusammen mit internationalen Universitäten arbeiten wir in unserer eigenen Forschungs- und Entwicklungsabteilung ständig an der Verbesserung der Materialien und an der Erhöhung des zertifizierten Bioanteils in den Figuren.*

*Verantwortung übernehmen wir nicht nur für die Umwelt, sondern auch für unsere Mitarbeiter. Wir halten uns an einen strengen Code of Conduct und schaffen Arbeitsbedingungen, die den Erwartungen und dem Selbstverständnis einer anspruchsvollen und modernen Gesellschaft entsprechen.*
